NAR'S ORGANIZATIONAL ALIGNMENT CORE STANDARDS

The REALTOR® Party offers programs, grants and other tools and resources, as well as expertise, to help associations meet the Vote, Act and Invest components of the Core Standards requirements. In the program descriptions listed throughout this resource guide, there are indications of the programs that may qualify for use in attaining Core Standards compliance. Programs marked with a **V** indicate they may qualify under the Vote section; programs marked with an **A** indicate they may qualify under the Act section; and programs marked with an **I** indicate they may qualify under the Invest section. Some programs may qualify for multiple sections and are marked with a **V, A** and/or **I**.

Submission of a grant application, program participation or resource utilization does not automatically meet the Core Standards requirement as an activity must take place and be documented. NAR Advocacy staff is available to assist you in learning how to use the REALTOR® Party resources to meet the **Vote, Act** and/or **Invest** components of the Core Standards.

ADVOCACY TERRITORIAL JURISDICTION

NAR's Board of Directors approved a process for the use of advocacy resources outside of a state or local association's territorial jurisdiction in November 2017.

The two categories applicable:

- » Situations where a state or local association is making use of REALTOR® Party resources for an advocacy activity.
- » All other uses of a state or local association's advocacy funds.

The National Association of REALTORS® adopted a policy whereby state and local REALTOR® associations may only use REALTOR® Party advocacy resources for activity within their territorial jurisdiction, as defined by NAR.

Use outside the association's territorial jurisdiction is permitted with a written agreement among or policy applicable to all affected local and state association(s) regarding such use of advocacy resources, or the association in whose jurisdiction such advocacy will occur or NAR approves. The policy allows for an association to request REALTOR® Party funds for use outside of its territorial jurisdiction, and if the association in which jurisdiction such activity will take place objects, the funds may be provided subject to review and approval by the appropriate NAR committee(s) overseeing REALTOR® Party activities.

For the full policy, sample agreements and bylaws and territorial jurisdiction maps, visit: realtorparty.realtor/tools-resources/territorial-jurisdiction.html

ACTIVE ADVOCACY ISSUES A-TO-Z

ISSUE	STAFF EXPERT
<p>BROWNFIELDS CLEAN UP AND REINVESTMENT</p> <p>NAR believes it is important for state and local governments to support and encourage the cleanup of Brownfields by providing tax and other economic incentives. These incentives are necessary to attract private investment to abandoned properties and to compensate for the risk of investing in contaminated land - typically surrounded by economically blighted neighborhoods. NAR also supports EPA's Brownfield Revolving Loan Fund, which provide communities with resources to transform contaminated sites into community assets that attract jobs and achieve broader economic development outcomes.</p>	Russell Riggs

<p>CRYPTOCURRENCY AND BLOCKCHAIN</p> <p>NAR acknowledges the potential impacts of cryptocurrency and blockchain will bring to real estate and the need for regulatory clarity and oversight, if necessary, for new and emerging technologies.</p>	Matt Emery Austin Perez
<p>DATA PRIVACY AND SECURITY</p> <p>NAR recognizes the importance of protecting client data entrusted to them and supports common sense data privacy and security safeguards that are effective but do not unduly burden our members' ability to efficiently run their businesses.</p>	Austin Perez

ACTIVE ADVOCACY ISSUES A-TO-Z

ISSUE	STAFF EXPERT
<p>DEDUCTION FOR SOLE PROPRIETORS AND OWNERS OF PASS-THROUGH BUSINESSES</p> <p>NAR successfully lobbied Treasury and IRS to clarify that the 20% "qualified business income" deduction included in the Tax Cuts and Jobs Act of 2017 applies to brokerage services. Also following NAR discussions, IRS guidance provided a "safe harbor" of 250-hours of landlord-type activity per year to ensure that net real estate rental income qualifies for the deduction.</p>	Evan Liddiard
<p>DEPRECIATION</p> <p>NAR supports shortening the 27.5- and 39-year cost recovery periods for real property.</p>	Evan Liddiard
<p>DISPARATE IMPACT</p> <p>NAR opposes policies and practices that have a disproportionately adverse effect on a demographic group defined by race, color, religion, sex, disability, familial status, national origin, sexual orientation, or gender identity, unless such policies are justified by a legitimate business necessity and there is no less-discriminatory alternative. NAR believes that eliminating disparate-impact discrimination, as defined by the Supreme Court in its 2015 Inclusive Communities decision, helps protect both the legitimate business interests of real estate professionals and the fair housing rights of consumers. NAR supports the reinstatement of HUD's 2013 disparate impact standard, as proposed by HUD in August of 2021.</p>	Alexia Smokler Colette Massengale
<p>DRONES</p> <p>NAR supports efforts to create new federal regulations to create a safe regulatory framework for the commercial use of unmanned aerial vehicle technology by the real estate industry.</p>	Austin Perez

<p>ENDANGERED SPECIES ACT (ESA) REFORM</p> <p>NAR supports reforms to the ESA that recognize economic impacts when designating endangered species and their habitats. ISSUE	STAFF EXPERT
<p>FAIR HOUSING (SEXUAL ORIENTATION & GENDER IDENTITY) NAR supports legislation, including the Equality Act, that adds sexual orientation and gender identity as prohibited bases for discrimination under the Fair Housing Act. NAR has also included these categories in the Code of Ethics.</p>	Alexia Smokler Colette Massengale

<p>FINANCIAL READINESS NAR supports the goals outlined in <i>Promoting Financial Success in the United States: National Strategy for Financial Literacy</i>, which are designed to increase financial literacy to empower school-aged children and young adults to build financial knowledge, skills, and habits that will help them make sound financial decisions and prepare them for homeownership in the future.</p>	Christine Windle
<p>FIRST TIME HOME BUYER SAVINGS ACCOUNTS NAR supports Home Buyer Savings Accounts established at the state level and urges states to adopt such plans. NAR believes individuals or families saving for homeownership should be able to put a percentage of income or maximum amount of funds into an account that is tax free to be used within a specified amount of time for the purchase of a home. Home Buyer Savings Accounts are typically used for first time homeowners or returning home buyers.</p>	Drew Myers
<p>FLOOD INSURANCE NAR urges Congress and the Administration to reauthorize and reform the National Flood Insurance Program and remove barriers to a more robust private market to offer higher quality, lower cost flood insurance.</p>	Austin Perez
<p>GLOBAL CLIMATE RISK NAR supports action that protects property rights while emphasizing environmental stewardship and voluntary local action, based on private sector, market-based investments to encourage energy efficiency, adaptation, and mitigation.</p>	Russell Riggs Austin Perez
<p>GSE GUARANTEE FEES NAR is concerned with the high loan level pricing adjustments (LLPAs) charged by Fannie Mae and Freddie Mac, which raise costs unnecessarily for consumers. ACTIVE ADVOCACY ISSUES A-TO-Z

ISSUE	STAFF EXPERT
<p>HOUSING FINANCE REFORM NAR supports reforming Fannie Mae and Freddie Mac into government-chartered market utilities, in a way that ensures the mission of the GSEs continues to meet the needs of consumers while protecting taxpayers. Such reforms must also encourage private capital's participation in the secondary mortgage market and ensure there is mortgage capital in all markets at all times and under all economic conditions, with the continued availability of the 30-year fixed rate mortgage.</p>	Ken Fears Matt Emery
<p>IMPACT FEES NAR opposes impact fees. Where impact fees exist, NAR urges their repeal. Impact fees should be used solely for capital improvements related to a specific new development.</p>	Drew Myers
<p>INDEPENDENT CONTRACTOR STATUS NAR strongly supports the continued right of brokers to choose whether to treat and classify agents as employees or independent contractors for federal tax purposes; and supports actions at the state level to strengthen the rights of brokers to make these determinations and opposes efforts at the federal level to weaken those rights.</p>	Evan Liddiard Nia Duggins
<p>INFRASTRUCTURE AND TRANSPORTATION NAR supports efforts to develop a long-term, dedicated source of revenue to maintain and fund surface transportation projects; rebuild and modernize other infrastructure needs such as transit, ports, and water management systems; and streamline the permit process.</p>	Russell Riggs

Conflicts between federal and state law can create difficulties for all types of properties. NAR also supports access to financial institutions for state-legalized businesses.</p>	Erin Stackley

ACTIVE ADVOCACY ISSUES A-TO-Z

ISSUE	STAFF EXPERT

<p>MORTGAGE INTEREST DEDUCTION NAR supports indexing for inflation the \$750,000 maximum loan amount eligible for deducting mortgage interest.</p>	Evan Liddiard
<p>MORTGAGE LOAN LIMITS NAR supports reliable loan limits to provide security and consistency to the marketplace. Providing access to credit for all communities during all economic times is a hallmark of our federal housing policy. Appropriate loan limits for FHA, Freddie Mac, and Fannie Mae (GSEs) are, and will continue to be, a critical factor in ensuring access to safe and affordable mortgage financing in all areas and all markets. Reducing limits will constrict liquidity to housing markets, and homebuyers.</p>	Ken Fears Matt Emery
<p>NATIONAL DISASTER POLICY NAR supports the development of a national disaster policy, which includes emergency post-disaster assistance but emphasizes pre-disaster planning, preparedness, mitigation, and the proactive reduction of risk for natural and other disasters.</p>	Austin Perez
<p>OPPORTUNITY ZONES NAR supports Qualified Opportunity Zones, which offer powerful capital gains tax incentives to investors to redeploy assets into economically troubled areas throughout the country and to keep them invested for long periods. Newly constructed and revitalized commercial real estate is expected to be a primary focus for a great deal of the new investment expected through this incentive program.</p>	Evan Liddiard Erin Stackley
<p>PACE LOANS NAR supports legislative and regulatory proposals that require Property Assessed Clean Energy (PACE) loan terms to be fully disclosed to borrowers.</p>	Russell Riggs

ACTIVE ADVOCACY ISSUES A-TO-Z

ISSUE	STAFF EXPERT
<p>PATENT LITIGATION REFORM NAR supports common sense patent litigation reform in an effort to protect our members from abusive patent trolls.</p>	Austin Perez
<p>POSSESSION AND EVICTIONS NAR believes that the fundamental right of rental property owners to regain possession of their property shall not be abridged. NAR opposes the erosion of these property owner rights: 1. The right to owner occupy property. 2. The right to inspect property with proper notice. 3. The right to terminate tenancy within the terms of the lease. 4. The right to freely go out of the rental business and convert property to other uses.</p>	Drew Myers
<p>REAL ESTATE TRANSFER TAXES NAR opposes real estate transfer taxes. Where transfer taxes currently exist, NAR urges their repeal and opposition to any increases. NAR urges the redirection of fees to be used for one-time capital acquisitions that are related to housing or commercial property improvements (e.g., infrastructure) and exemptions to transfer taxes for first-time homebuyers and for homebuyers from low- and moderate-income households.</p>	Drew Myers
<p>RENT CONTROL Rent control and rent stabilization are infringements upon private property rights. NAR continues to work with the CFPB to ensure outstanding concerns with the rule are addressed.</p>	Nia Duggins
<p>RURAL HOUSING LOANS NAR supports the role of the Rural Housing Service to provide loans for low to moderate income borrowers in rural areas and small towns. <p>SALES TAX ON SERVICES NAR opposes the application of state or local sales tax to rent, and to real estate services and other professional services, including real estate broker commissions, title searches, appraisals, home inspections, property management services, and any other services related to the real estate transaction.</p>	Drew Myers

ACTIVE ADVOCACY ISSUES A-TO-Z

ISSUE	STAFF EXPERT
<p>SECTION 1031 LIKE-KIND EXCHANGE</p> <p>NAR opposes any change that would undermine the deferral mechanisms associated with exchanges or lead to fewer transactions. The like-kind exchange technique is fundamental to the real estate investment sector. The current law provides investors with a great deal of flexibility in managing their real estate portfolio. Real estate is essentially an illiquid asset that requires substantial commitments of cash. Flexibility is needed in order to assure the free movement of property and capital. This, in turn, results in economic growth and job creation.</p>	Evan Liddiard Erin Stackley
<p>SHORT-TERM WORKER VISAS</p> <p>NAR supports federal visa programs, such as the H2-B program, that allows foreign workers to work in the U.S. temporarily. NAR also supports reforms to these programs that address national security, employer and visa overstay concerns.</p>	Russell Riggs Nia Duggins

This includes access to small business loans and emergency relief, as well as education and counseling resources through the Small Business Administration.</p>	Erin Stackley
<p>STATE-LEGALIZED CANNABIS BUSINESSES ACCESS TO BANKING</p> <p>NAR supports the rights of states and residents of those states to create laws aligned with their interests. NAR supports allowing businesses that are properly registered and that are legitimate by state standards to have the ability to access banking services. NAR does not have a position on cannabis legalization.</p>	Erin Stackley
<p>STUDENT LOAN DEBT</p> <p>NAR supports federal policies that help raise borrowers' financial awareness and to allow student borrowers to refinance into lower rates as well as to streamline income-based repayment programs.</p>	Ken Fears Matt Emery
<p>TAX BENEFITS FOR PROPERTY OWNERSHIP</p> <p>NAR supports the enactment of a meaningful tax credit for homeownership for those who do not currently benefit from the mortgage interest and real property tax deductions because they no longer itemize their deductions. Tax changes enacted in 2017 reduced the previously available homeownership tax incentives to only about 10% of households, which prevents many middle-income, minority and millennial households from realizing a direct tax benefit for owning a home.</p>	Evan Liddiard
<p>TAX DEDUCTION (STATE AND LOCAL)</p> <p>NAR supports legislative efforts to reinstate the full deductibility of state and local taxes. At a minimum, NAR urges legislators to index the current \$10,000 cap for state and local tax deductions to inflation and to remove the marriage penalty by increasing the deduction cap for joint returns to \$20,000, twice the amount of that for single filers.</p>	Evan Liddiard

<p>TRANSPORTATION</p> <p>Convenient and efficient transportation infrastructure enhances the quality of communities, supports property values, and mitigates traffic congestion effects that accompany growth. REALTORS® support improving mobility in communities so that all citizens have access to transportation means best suited to their needs. NAR believes in leveling the playing field with respect to funding highways versus transit and other modes. NAR supports a broad community vision that considers the needs of all transportation users and emphasizes repair and maintenance over development of new capacity. In addition, NAR supports a modest increase in the federal motor fuel tax and annual adjustments for inflation.</p>	Russell Riggs
<p>VA HOME LOAN GUARANTY</p> <p>NAR continues to work with the Department of Veterans Affairs to allow veterans to be on a level playing field with other buyers.</p>	Caitlin Vannoy Elayne Weiss
<p>WATERS OF THE US (WOTUS)</p> <p>NAR supports legislation and regulation to clearly define what "waters" are under the jurisdiction of the federal government.</p>	Russell Riggs
