

*Better Block Qualitative Survey – During*

Gender:

Resident or Visitor:

What do you like about this area?

Does it feel safer than before?

If moderate or low safety, how would you improve?

What do you feel is missing and would bring more people here?

What would entice you to walk or bicycle more here?

Of the Better Block elements added (pop-up stores, café seating, bike lanes, landscaping, etc.) what, if any, would you like to see continue?
