- SVAR works to build solid relationships with local city and county officials so that member interests are considered as local initiatives begin.
- SVAR and RPAC of Virginia offer financial support to local area state Delegates and Senate members who support REALTOR® issues.
- RPAC of Virginia with support from SVAR works to build solid relationships with state legislators which creates an environment in which policymakers know that REALTORS® defend the interests of clients and customers and common sense business practices...because of this, legislators listen.
- RPAC decisions of support at all levels of government are made by REALTORS® and are based strictly on property rights and REALTOR® issues, not party affiliation.

## WHAT WE NEED IS YOUR SUPPORT.

As important as it is to be involved in your local community, it is equally important that we, as REALTORS®, are involved at the state and federal levels of government as well.

By participating in RPAC, your voice is heard collectively with hundreds of thousands of your colleagues across the country. RPAC provides you a seat at the table. If you don't get involved, you may face the prospect of bad legislation or a new set of crippling regulations that can put you out of business.
