HOW RPAC SUPPORTED YOUR BUSINESS IN 2019

TERRORISM RISK INSURANCE
NAR scored a major victory with the seven-year reauthorization of the Terrorism Risk Insurance Program (TRIP). Terrorism risk insurance is often required to secure necessary financing for the thousands of commercial practitioners nationwide. NAR repeatedly called on Congress to reauthorize TRIP before its scheduled expiration in 2020, publicly supporting Chairwoman Maxine Waters’ Terrorism Risk Insurance Program Reauthorization Act of 2019.

FEDERAL TAXATION
In December 2019, Congress passed a spending package funding the federal government for fiscal year 2020. Included in the package are temporary extensions of three tax provisions directly impacting the real estate industry:

- The deduction of the cost of improvements to commercial buildings that make them energy efficient.
- The exclusion of forgiven mortgage debt from gross income, meaning that owners of primary residences who sold them short and had part of their mortgage debt written off will not have to pay tax on the amount forgiven; and
- The deductibility of premiums for mortgage insurance.

These provisions had all expired at the end of 2017, but the bill extends them, retroactive to the beginning of 2018, and through the end of 2020. NAR also advocated strongly for H.R. 5377, “the Restoring Tax Fairness for States and Localities Act,” which would provide a temporary two-year repeal of the $10,000 cap imposed on state and local tax deductions (SALT). The bill passed the House at the end of December.

U.S.-MEXICO-CANADA AGREEMENT (USMCA)
NAR supported the U.S.-Mexico-Canada Agreement (USMCA), the recent agreement with Mexico and Canada in the renegotiation of the North American Free Trade Agreement (NAFTA). The USMCA will bring North American trading activity into the 21st century through groundbreaking reforms on digital trade, agriculture and the environment, among many others. The agreement also preserves and strengthens the strong trade ties between Canada, Mexico, and the U.S.

OPPORTUNITY ZONES
NAR has been a partner and advocate of Qualified Opportunity Zones since the onset of the program, working closely with the White House and U.S. Department of Housing and Urban Development (HUD). We participated in a White House event on the Qualified Opportunity Zone program, where the second round of proposed rules for the program were released. These rules provided more specific details on how investors can participate in the program, and receive the full tax benefits it offers. NAR also participated in a HUD Policy Development & Research Stakeholder “HUDdle” on Qualified Opportunity Zones. At that event, HUD Secretary Ben Carson highlighted the goal of the program to draw long-term investment, jobs, and economic growth to the distressed communities designated as Opportunity Zones. These partnerships culminated in NAR’s release of the Qualified Opportunity Zone Toolkit that included info on RPR QOZ tool and the Community Planning Grant for REALTOR® associations.

Your investment makes a difference on the federal, state, and local levels of government and ensures:

1. New and proposed legislation and regulations are evaluated based on how they will impact you, your clients, and your community.
2. Government affairs representatives can effectively lobby lawmakers in Washington, D.C. and in state legislatures throughout the U.S.
3. We can defend critical real estate-friendly policies like 1031 like-kind exchanges, Terrorism Risk Insurance, and Qualified Opportunity Zones.
4. The 100% health insurance deduction for independent contractors is protected.
5. REALTORS® have a strong voice when new government programs like the Qualified Opportunity Zones Program are created and implemented.

What really sets REALTORS® apart from any other group on Capitol Hill is the President’s Circle program. President’s Circle members are RPAC Major Investors who invest an additional $2,000 directly to candidate and party committees. PACs are limited to contributing $5,000 per election to a candidate. The collective strength of the President’s Circle program makes us true political players in the nation’s capital.

Candidates chosen to receive President’s Circle funds have met stringent criteria, and these exceptional leaders are called REALTOR® Champions. President’s Circle members are asked to invest in these Champions throughout the year. In order to fully impact the political process, these investments must be completed by September 30 of each year.

Members also have the option of investing $500 of their $2,000 to a party committee on behalf of any Congressional candidate. Likewise, Federal Political Coordinators have the option of investing $100 directly to the re-election campaign for the Member of Congress they serve.

PRESIDENT’S CIRCLE CONFERENCE

A long-standing tradition of the President’s Circle program is the preeminent President’s Circle Conference, which provides an opportunity to network with NAR’s top political investors and to engage with prominent political speakers. The three-day conference is held annually at a top hotel; three nights’ hotel accommodations, receptions and the full conference program are included in the $695 registration fee for the President’s Circle and/or Platinum R member. One person per registrant is included per registered attendee.

HALL OF FAME

The Hall of Fame recognizes dedicated members whose lifetime RPAC investments total at least $25,000. Members are inducted at the REALTORS® Legislative Meetings in Washington, D.C. in May, and are recognized with a lapel pin, a plaque on the D.C. NAR building rooftop, and a plaque commemorating installation.

*NOTE: You must be a Major Investor in order to enroll in the President’s Circle Program.*
